The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**FIVE-YEAR LEASE
DEPARTMENT OF MENTAL HEALTH
3741 STOCKER STREET, SUITE 200, LOS ANGELES
(SECOND DISTRICT) (3 VOTES)**

SUBJECT

The recommendation is for a five-year lease of 4,558 rentable square feet of office space for the Department of Mental Health (DMH), as a satellite Wellness Center (WC) to supplement existing services offered at the West Central Family Mental Health Clinic at 3751 Stocker Street, Los Angeles.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Consider the attached Negative Declaration, together with the fact that no comments were received during the public review process, for the lease of office space at 3741 Stocker Street, Los Angeles for the DMH, find that the project will not have a significant effect on the environment and no adverse effect on wildlife resources, find that the Negative Declaration reflects the independent judgment of the County of Los Angeles (County), approve the Negative Declaration and authorize the Chief Executive Office (CEO) to complete and file a Certificate of Fee Exemption for the project.

2. Approve and instruct the Chairman to sign the attached five-year lease with Stocker Plaza Associates (Landlord) for DMH for 4,558 rentable square feet of office space located on the second floor of 3741 Stocker Street, Los Angeles and 18 non-exclusive on-site parking spaces at an initial maximum annual rental rate of \$169,008. The rental and related costs are funded under the State Proposition 63 - Mental Health Services Act (MHSA) and matching Medi-Cal funds.
3. Authorize the Internal Services Department (ISD), or the Landlord, at the direction of the CEO, to acquire telephone, data and low voltage systems for DMH at a cost not to exceed \$240,000, which will be paid by DMH in a lump sum payment.
4. Authorize the CEO, DMH and ISD to implement the project. The lease will be effective upon approval by your Board, but the term and the rent will not commence until 30 days after completion of the improvements by the Landlord and acceptance by the County.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

DMH has secured funds under the State Proposition 63 - MHSA. As a condition of funding, DMH is mandated to formulate a plan for the expeditious implementation of various mental health services across the County.

In October 2006, the Board approved the acquisition, development and implementation of 14 directly operated WC programs to be located in strategic areas throughout the County as part of DMH's overall transformation from clinical services to a Recovery Model of community-based, client and family driven, recovery oriented services and support systems. The WCs are designed to offer options to clients who no longer need the intensive services offered by the Full Service Partnership programs or traditional adult outpatient services, and who are ready to take increasing responsibility for their own wellness and recovery. The proposed lease is the tenth in a series of 14 approved satellite locations for the WC programs to be located throughout the County.

In addition to furthering the goals of the MHSA, the recommended actions are intended to fill the longstanding gap in the service delivery system by serving clients that are in advanced stages of recovery, thus offering a cost-effective alternative to ongoing maintenance visits at outpatient clinics. Development of the WCs will enhance DMH's ability to concentrate the majority of its outpatient resources on meeting the needs of the underserved population and providing intensive services to those in need of that level of care. The ultimate goal of the WCs is to reduce reliance on the mental health system by building a sustaining network of community-based support systems for clients no longer requiring more traditional care.

As existing Mental Health facilities are currently operating near full capacity and new staff cannot be accommodated at existing locations without a compromise of mental health services, it has been determined that the CEO would obtain ancillary locations as close as possible to existing operations in order to facilitate the new MHSA funded and mandated services.

The proposed WC will augment services currently provided at the West Central Family Mental Health Program (WCFMHP) facility at 3751 Stocker Street, Los Angeles, located in an adjacent building within the same office complex. In addition, WCFMHP can share staff if necessary, provide better security, and should the need arise, provide immediate clinical staff assistance.

The office will have limited public intake by appointment and is located in proximity to public transportation routes. The proposed office will house 20 employees and the lease provides access to 18 non-exclusive parking spaces.

The creation of the satellite office, as proposed, will allow DMH to provide more seamless transitional services in a more expeditious manner for its target population.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

The Countywide Strategic Plan directs that we provide service excellence (Goal 1) through effective, efficient, goal-oriented service delivery systems (Goal 3), and assist families' well-being (Goal 5). In this case, the County is providing an innovative, supportive mental health program designed to further enhance client recovery and improve the delivery, efficiency, and effectiveness of mental health operations. The proposed lease complies with the Strategic Asset Management Principles, as shown in Attachment A.

FISCAL IMPACT/FINANCING

The maximum initial rental cost for the proposed full-service lease will be \$169,008 annually, which is 100 percent funded under the State Proposition 63 – MHSa and matching Medi-Cal funds.

- (1) Includes the Additional TI and Change Order Allowances (\$319,060) amortized at 8 percent interest over a five-year period, resulting in an annual payment of \$77,118, over the base rent based on amortization at the beginning of the period. The County may also repay the Additional TI and Change Order Allowances in whole or in part in a lump sum payment at any time.

Sufficient funding for the proposed lease is included in the 2008-09 Rent Expense budget and will be charged back to the DMH. Sufficient funding is available in DMH's operating budgets to cover the projected lease costs. The lease costs are 100 percent funded under the State Proposition 63 – MHSa and matching Medi-Cal funds.

The total cost for the telephone, data and low voltage systems is estimated not to exceed \$240,000 and will be paid in lump sum payment by DMH.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The proposed five-year lease will provide approximately 4,558 rentable square feet of office space, along with 18 non-exclusive parking spaces. The lease contains the following provisions.

- The five-year term will commence 30 days after Board approval, completion of TI by Landlord, and acceptance by the County.
- An annual base rental rate of \$91,889, subject to annual CPI adjustment capped at 4 percent per year.
- A modified full-service lease whereby the Landlord is responsible for all operational and maintenance costs except for the janitorial services.
- A TI allowance of \$45,580, or \$10 per square foot, included in the base rental rate for improvement of the premises.
- A reimbursable additional TI allowance of \$296,270, or \$65 per square foot, and \$22,790 change order allowance for furniture and build-out may be paid completely or in part in a lump sum or amortized over the five-year term at an annual interest rate of 8 percent.
- A cancellation provision allowing the County to cancel at any time after the thirty-sixth month of the lease term on 90 days written notice to the Landlord.
- In the event the County terminates the lease, County will reimburse the unpaid principal amount of the Additional TI and Change Order funds to the Landlord.

CEO Real Estate staff surveyed the area to determine the availability of comparable and more economic sites. The survey disclosed a vacant 40,000 square foot County-owned facility in DMH's service area. However, as this is a small requirement, it would be inappropriate at this time to relocate this program to that building as the building is being considered for use by other County departments. Staff was unable to identify any sites in the surveyed area that could accommodate this requirement in a more economical manner. Attachment B shows all County-owned or leased facilities for this program.

The Department of Public Works has completed a seismic inspection of the facility and has found it suitable for County use. Construction of the TI will be completed in compliance with American with Disabilities Act (ADA) and building codes. Additionally, the Landlord will ensure ADA path of travel requirements are met.

The City of Los Angeles has been formally advised of the proposed lease pursuant to Government Code 25351 and 65402 Notification Letters that were forward to the City on August 21, 2007.

A childcare center is not feasible at this location.

ENVIRONMENTAL DOCUMENTATION

The CEO has made an initial study of the environmental factors and has concluded that this project will have no significant impact on the environment and no adverse effect on wildlife resources. Accordingly, this office has prepared a Negative Declaration and posted a notice at the site as required by the California Environmental Quality Act (CEQA) and the California Administrative Code, Section 15072. Attached are copies of the completed Initial Study, the resulting Negative Declaration, and a copy of the posted Notice of Intention to Adopt a Negative Declaration. No comments to the Negative Declaration were received. The State Department of Fish and Game requires a fee when filing certain notices with the Registrar-Recorder/County Clerk. The County is exempt from paying this fee when your Board finds that a project will have no impact on wildlife resources.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The proposed lease will provide the necessary office space for this County requirement.

NEGATIVE DECLARATION

LOS ANGELES, COUNTY CLERK

I. Location and Description of the Project

The proposed project is for the County of Los Angeles to lease 4,558 square feet of office space and 18 on-site parking spaces in an existing building at 3741 Stocker Street, Los Angeles, California. The Department of Mental Health (DMH) will occupy the space and provide services to the communities of southwest Los Angeles. Located in the Second Supervisorial District, the building, is 8.1 miles southwest from the Los Angeles Civic Center, comprises 19,936 square feet and is a freestanding two-story building.

II. Finding of No Significant Effect

Based on the attached initial study, it has been determined that the project will not have a significant effect on the environment.

III. Mitigation Measures

None required.

INITIAL STUDY

I. Location and Description of Project

The proposed premises are located at 3741 Stocker Boulevard, Los Angeles, in the Second Supervisorial District approximately 8.1 miles southwest of the Los Angeles Civic Center, approximately 3.1 miles west of the Harbor Freeway (110), 1.8 miles south of the Santa Monica Freeway (I-10), and 8.6 miles east of the San Diego Freeway (405) Freeway.

The privately owned building is 55 years old, and included on-site is a surface parking lot.

The project consists of leasing this space according to the terms of the proposed lease. An average of twenty employees will occupy the space with the maximum employee occupancy to be between the hours of 8:00 a.m. and 6:00 p.m. An average of six hundred thirty members of the public are expected to visit the facility monthly, or approximately thirty visitors daily, to use the various services offered by the Department of Mental Health. No expansion of the existing building will occur for this project; however there will be minor upgrades to the electrical, HVAC systems and interior redecorating.

II. Compatibility with General Plan

The City of Los Angeles has zoned the property "LAC2", thus, its current use as an office building is a permitted use under the current zoning designation.

III. Environmental Setting

The project site includes 19,936 square feet of developed property and is in an area that includes commercial, and limited residential properties. Stocker Street borders the site on the South side, Don Felipe Drive on the West side, Santa Rosalia Drive on the East, and commercial and residential properties on the North.

IV. Identification of Environmental Effects

- A. The proposed project will not impact existing land forms.
- B. The project will not conflict with adopted environmental plans and goals of the County of Los Angeles.
- C. The project will not have a negative aesthetic effect on the proposed site. The existing facility will continue to be maintained by its owner as part of the lease arrangement.
- D. No rare or endangered species of animal or plant or the habitat of the species will be affected by the project. Nor will it interfere with the movement of any resident fish or wildlife species or migratory fish or wildlife species.

- E. The project will not breach published national, state or local standards relating to solid waste or litter control.
- F. Development will not substantially degrade water quality, contaminate water supply, substantially degrade or deplete ground water resources, or interfere substantially with ground water recharge.
- G. There are no known archeological sites existing at the project site.
- H. The proposed project will not induce substantial growth or concentration of population.
- I. The project will not cause a substantial increase to existing traffic beyond that experienced when the property was occupied by its previous tenant. Nor will it affect the carrying capacity of the present street system. The County's use is in conformance with uses intended pursuant to the current zoning identification of the site
- J. The project will not displace any persons from the site.
- K. The project will not substantially increase the ambient noise levels to adjoining areas. Noise generated by the proposed County use does not exceed that previously experienced in the area when occupied by private tenants.
- L. The proposed project will not cause flooding, erosion or siltation.
- M. The project will not expose people or structures to major geologic hazards.
- N. The project will not expand a sewer trunk line. All necessary utilities are available currently to the facility.
- O. No increased energy consumption is anticipated by the County's use of the premises beyond the level of consumption previously when the building was fully occupied.
- P. The project will not disrupt or divide the physical arrangement of established community; nor will it conflict with established recreational, educational, religious or scientific uses of the area.
- Q. No public health or safety hazard or potential public health or safety hazard will be created by this project.
- R. The project will not violate any ambient air quality standard, contribute substantially to an existing or projected air quality violation, or expose sensitive receptors to substantial pollutant concentrations.

2. PREMISES

- 2.1. Landlord does hereby lease to Tenant, and Tenant does hereby lease from Landlord, upon the terms and conditions herein set forth, the Premises described in Section 1 and Exhibit A attached hereto.
- 2.2. Tenant shall have the right within 90 days of approval of this lease by the Board of Supervisors of the County of Los Angeles ("Board of Supervisors") to field-measure and verify the exact footage of the Premises and/or the Building. All measurements shall be taken in accordance with the methods of measuring rentable/usable area as described in the Standard Method for Measuring Floor Area in Office Buildings, ANSI Z65.1-1996, as promulgated by the Building Owners and Management Association ("BOMA") International except that no penthouse mechanical room space shall be

included in the measurement. Should this measurement be less than the square footage stated above, Tenant shall have the right to adjust such square footage and reduce the Basic Rent in Section 1 accomplished by the mutual execution of a memorandum of understanding between the Landlord and the Tenant. Landlord acknowledges the space has been marketed at the above-indicated rental amount and in the event of subsequent physical measurements, Landlord agrees there will be no adjustment made to either the square footage or the Basic Rent in the event the measured square footage exceeds the amount represented by Landlord. Should Landlord and Tenant not agree with respect to the results of the measurement conducted pursuant to this Subsection 2.2 Landlord shall appoint an independent firm or person who is experienced in making such measurements whose determination with respect to which measurement is correct shall be final and binding upon the parties. Landlord and Tenant shall share equally in the fees of such firm.

3. COMMON AREAS

Tenant may use the following areas ("Common Areas") in common with Landlord and other tenants of the Building: the entrances, lobbies and other public areas of the Building, walkways, landscaped areas, driveways necessary for access to the Premises, parking areas and other common facilities designated by Landlord from time to time for common use of all tenants of the Building. Tenant shall comply with all reasonable, non-discriminatory rules and regulations regarding the use of the Common Area established by Landlord.

4. COMMENCEMENT AND EXPIRATION DATES

4.1. Term

The term of this lease shall commence upon the Commencement Date and terminate on the Termination date. Within 30 days of determining the Commencement Date, Landlord and Tenant shall acknowledge in writing the Commencement Date by executing the Commencement Date Memorandum and confirmation of Lease Terms attached as Exhibit C. The Commencement Date shall begin 30 days after Tenant's Acceptance of the Premises. The term "Tenant's Acceptance of the Premises" as used in this Lease shall mean the date upon which the Premises are Substantially Complete, Tenant has inspected the Premises and Tenant has accepted the Premises. The term "Substantial Completion" as used in this Lease shall mean compliance with all of the following:

- a. The shell and core of the Building are complete and in compliance with all applicable laws and codes, and all of the building systems are operational to the extent necessary to service the Premises;
- b. Landlord has sufficiently completed all the work required to be performed by Landlord in accordance with this lease, including the installation of modular furniture systems, if so required (except minor

- punch list items which Landlord shall thereafter promptly complete), such that Tenant can conduct normal business operations from the Premises;
- c. Landlord has obtained a certificate of occupancy for the Building, or a temporary certificate of occupancy for that portion of the Building that includes all of the Premises, or its equivalent;
 - d. Tenant has been provided with the number of parking privileges and spaces to which it is entitled under this lease; and
 - e. If Landlord is responsible for the installation of telecommunications systems, then such systems shall be completely operational.

4.2. Option to Renew

Tenant shall have the option to renew this Lease for a period of five years under the same terms and conditions and rental rate as contained herein. Tenant shall notify Landlord in writing (by letter from Tenant's Chief Executive Office) not less than 60 days prior to expiration of the Lease term of Tenant's intention to exercise its option. The actual exercise of the option shall be only by the Board of Supervisors of the County of Los Angeles.

4.3. Termination Right

If the Commencement Date has not occurred within 60 days from the Projected Commencement Date, subject to Tenant Delays or force Majeure Delays as provided in Landlord's Work letter, which has been executed concurrently herewith, Tenant may thereafter, at any time before the Commencement Date occurs, terminate this Lease effective upon the giving of written notice to Landlord and the parties shall have no further obligations to one another hereunder.

4.4. Early Possession

Tenant shall be entitled to possession of the Premises not less than 30 days prior to the Commencement Date for the purposes of installing Tenant's furniture, fixtures and equipment in the Premises. Such early occupancy shall be subject to all provisions hereof but shall not advance the Termination date, and Tenant shall not pay Basic Rent for such early occupancy period.

4.5. Early Termination

Tenant shall have the right to terminate this lease at any time after the Early Termination Notice Date, as defined in Section 1, by giving Landlord not less than 90 days prior written notice executed by the Chief Executive Officer of Tenant.

5. RENT

5.1. Original Rent

The first full calendar month's rent shall be due and payable within 30 days of the Commencement Date in the total amount shown in Section 1(i) hereof. A monthly installment in the same amount, subject to the adjustments described herein below, shall be due and payable without demand on or before the first day of each calendar month succeeding the Commencement Date during the Term, except that Rent for any fractional calendar month at the commencement or end of the Term shall be prorated on a daily basis provided Landlord shall file a payment voucher with the Auditor of the County of Los Angeles (the "County") for the monthly Rent prior to the Commencement Date for the initial month(s) of the Term up to and including June, and annually thereafter in June for the ensuing 12 months.

5.2. Rental Adjustment

- a. For each successive twelve (12) months of the original Term of this Lease and in the event Lessee exercises its option pursuant to Paragraph 4.2 hereof for each successive twelve (12) month period thereafter, the monthly rental as set forth in Paragraph 3 hereof shall be subject to adjustment. At the first anniversary date of the first day of the first full calendar month following the commencement of this Lease and every twelve months thereafter, the rent shall be adjusted in accordance with the CPI formula set forth in this Section 5.2.
- b. CPI Formula: The method for computing the annual rental adjustment shall be by reference to the Consumer Price Index for all Urban Consumers for the Los Angeles-Anaheim-Riverside area, all items published by the United States Department of Labor, Bureau of Labor Statistics (1982-84 = 100), herein referred to as "Index".

The rental adjustment for the Base Rent shall be calculated by multiplying the Lessor's Base Rent of \$7,657.44 per month by a fraction, the numerator being the New Index and the denominator being the Base Index. The New Index is the Index published for the month immediately preceding the month the adjustment is to be effective, and the Base Index is the Index published for the month the Lease commences.

The formula shall be illustrated as follows:

$$(\text{New Index} \div \text{Base Index}) \times \$7,657.44 (\text{Base Rent}) = \text{New Monthly Rent}$$

If the Index is changed so that the base year of the Index differs from that used as of the Commencement Date of the Lease, the Index shall

be converted in accordance with the conversion factor published by the United State Department of Labor, Bureau of Labor Statistics. If the Index is discontinued or revised during the Term of this Lease, such other governmental Index or computation with which it is replaced shall be used in order to obtain substantially the same result as would be obtained if the Index had not been discontinued or revised. In the event the parties are unable to agree upon a substitute index (if the original Index is discontinued without a replacement) then upon demand by either party, the matter shall be submitted to arbitration for the purpose of determining an alternate method of computing the rent adjustment based upon the increase in the cost of living.

c. General Provisions:

- i. In no event shall the monthly rent adjustment based upon the CPI formula result in an annual increase greater than four percent (4%) per year of the monthly base year rent of \$7,657.44 (i.e., \$306.30 per month, annually).
- ii. In no event shall the monthly rent be adjusted by the CPI formula to result in a lower monthly rent than was payable during the previous year of the Lease.

6. USES

The Premises are to be used only for the uses set forth in Section 1 and for no other business or purpose; however, Landlord shall not unreasonably withhold its consent to change of use.

7. HOLDOVER

If Tenant remains in possession of the Premises or any part thereof after the expiration of the Term of this Lease, such occupancy shall be a tenancy which is terminable only upon 90 days written notice from Landlord or 30 days written notice from the Chief Executive Officer of Tenant at the last monthly Basic Rent payable under this Lease (as such Basic Rent may be adjusted from time to time in accordance with this Lease) plus all other charges payable under this Lease, and subject to all of the terms, covenants and conditions of this Lease.

8. COMPLIANCE WITH LAW

Tenant shall, at Tenant's expense, comply promptly with all applicable statutes, ordinances, rules, regulations, orders and requirements in effect during the term hereof, regulating the use, occupancy or improvement of the Premises by Tenant. Landlord, not tenant, shall, at its sole cost, at all times cause the Premises and the Building to comply with all applicable statutes, ordinances, rules, regulations, orders and requirements in effect and binding upon Tenant or Landlord during the term

hereof, including without limitation, the Americans with Disabilities Act, except to the extent such compliance is made necessary as a result of Tenant's particular use of or alterations or improvement to the Premises.

9.1. Damage

In the event any portion of the Premises is damaged by fire or any other cause rendering the Premises totally or partially inaccessible or unusable and the Premises may be restored to a complete architectural unit of the same value, condition and character that existed immediately prior to such casualty in less than 180 days, then Landlord shall promptly, at Landlord's expense, repair such damage and this lease shall continue in full force and effect. If all or any portion of the premises shall be made untenable by fire or other casualty, Landlord shall immediately secure the area to prevent injury to persons and /or vandalism to the improvements. Landlord shall promptly, but in any event within ten days, cause an architect or general contractor selected by Landlord to provide Landlord and Tenant with a written estimate of the amount of time required to substantially complete the repair and restoration of the Premises and make the Premises tenantable again using standard working methods. The failure to do so shall be a material Default hereunder. Basic Rent shall abate to the extent that the Premises are unusable by Tenant. 9.2. Tenant Termination Right

In the event that Tenant does not elect to terminate this Lease, Landlord shall promptly commence and diligently prosecute to completion the repairs to the Building or Premises, provided insurance proceeds are available to repair the damages.

9.3. Damage In Last Year

Notwithstanding the foregoing provisions, if any material destruction to the Premises occurs during the last year of the Term, either Landlord or Tenant may terminate this Lease by giving notice to the other not more than 30 days after such destruction, in which case:

In addition to the provisions for Landlord's default provided by Sections 9.4, 10.3, 19 and 20.2, Landlord shall be in default in the performance of any obligation required to be performed by Landlord under this Lease if Landlord has failed to perform such obligation within ten days after the giving of written notice with respect thereto by Tenant (which notice shall be, if appropriate, the same notice given under Section 10.3); provided, however,

that if the nature of such default is such that the same cannot reasonably be cured within such ten day period, Landlord shall not be deemed to be in default if Landlord shall within such period commence such cure and thereafter diligently prosecute the same to completion. If the default by Landlord ("Landlord Default") is of such a nature that it materially and substantially interferes with Tenant's occupancy and use of the Premises and if such Landlord Default is not cured within the foregoing cure period, then Tenant shall have the right, at its option, with or without further notice or demand of any kind to Landlord or any other person, to any one or more of the following described remedies in addition to all other rights and remedies provided at law or in equity or elsewhere herein:

- a. to remedy such default or breach and deduct the costs thereof (including but not limited to attorney' fees) plus interest at the rate of ten (10%) per annum from the installments of Basic Rent next falling due;
- b. to pursue the remedy of specific performance;
- c. to seek money damages fro loss arising from Landlord's failure to discharge its obligations under this Lease or offset such damages against Basic Rent next coming due; and/or
- d. to terminate this lease.

14.2. Waiver

Nothing herein contained shall relieve Landlord from its duty to effect the repair, replacement, correction or maintenance required to restore any affected services, or to perform any other obligations to the standard prescribed in this Lease, nor shall this Section be construed to obligate Tenant to undertake any such work.

14.3. Emergency

Notwithstanding the foregoing cure period, Tenant may cure any default without notice where the failure promptly to cure such default would, in the reasonable opinion of Tenant, create or allow to persist an emergency condition or materially and adversely affect the operation of tenant's business in the Premises.

15. ASSIGNMENT AND SUBLETTING

Tenant may assign, mortgage, encumber or otherwise transfer this lease or sublet the whole or any part of the Premises; however Tenant shall first obtain Landlord's prior consent, which Landlord shall not unreasonably withhold. Furthermore, no such assignment, subletting or other transfer shall relieve Tenant of any liability under this Lease unless Landlord has given its written consent thereto, which Landlord shall not unreasonably withhold if the assignee has a financial condition which is reasonably sufficient for it to be responsible for all future obligations under this Lease.

16. ALTERATIONS AND ADDITIONS

16.1. Landlord Consent

Tenant shall not make any structural alterations, improvements, additions, or utility installations in or about the Premises (collectively, "Alterations") without first obtaining the written consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed. However, Landlord's consent shall not be required for any Alteration that satisfies all of the following criteria:

- a. Complies with all Laws;
- b. Is not visible from the exterior of the Premises or Building;
- c. Will not materially affect the systems or structure of the Building; and
- d. Does not unreasonably interfere with the normal and customary business office operations of other tenants in the Building.

If Landlord fails to respond in writing within 30 days of such request, Landlord shall be deemed to approve the Alterations.

16.2. End of Term

Any Alterations not removed by Tenant shall become the property of Landlord and remain upon and be surrendered with the Premises at the expiration of the Term.

17. CONDEMNATION

17.1. Controlling Terms

If during the Term, or during the period of time between the execution of this Lease and the Commencement Date, there is any taking of all or any part of the Premises or any interest in this Lease by Condemnation (as defined below), this Section shall determine the rights and obligations of Tenant and Landlord. "Condemnation" shall mean the exercise of any governmental power to take title to any portion of the Premises, whether by legal proceedings or otherwise, by a Condemnor, either under threat of a Condemnor's exercise of such power or while legal proceedings are pending for the exercise of such power. "Condemnor" shall mean any public or quasi-public authority, or private corporation or individual, having the power of Condemnation.

17.2. Total Taking

If the Premises are totally taken by Condemnation, this Lease shall terminate on the date the Condemnor has a right to possession of the Premises (the "Date of Taking").

17.3. Partial Taking

If any portion, but not all, of the Premises is taken by condemnation, this Lease shall remain in effect, except that Tenant may elect to terminate this Lease if, in Tenant's reasonable judgment, the remaining portion of the Premises (including the space available for parking) is rendered unsuitable for Tenant's continued use of the Premises. If Tenant elects to so terminate this Lease, Tenant must exercise its right to terminate by giving notice to Landlord within 30 days after the date that the nature and the extent of the condemnation have been determined (the "Determination Date"), which notice shall set forth the date of termination. Such termination date shall not be earlier than 30 days or later than 90 days after Tenant has notified Landlord of its election to terminate; except that this Lease shall terminate on the Date of Taking if the Date of taking falls on a date before the date of termination as designated by Tenant. If Tenant does not so notify Landlord within 30 days after the Determination Date, all obligations of Tenant under this lease shall remain in effect, except that Basic Rent shall be equitably abated.

17.4. Restoration

Notwithstanding the preceding paragraph, if, within 30 days after the Determination Date, Landlord notifies Tenant that Landlord at its cost will add to the remaining Premises so that the area of the Premises and the space available for parking, will be substantially the same after the Date of Taking as they were before the Date of Taking, and Landlord commences the restoration promptly and, subject to reasonable allowance for delays that are not caused by Landlord, completed it within 90 days after Landlord so notifies Tenant, this Lease shall continue in effect. All obligations of Tenant under this Lease shall remain in effect, except that Basic Rent shall be equitably abated or reduced during the period from the Date of Taking until the completion of such restoration.

17.5. Award

The Award (as defined below) shall be divided between Landlord and Tenant as their respective interests may appear. "Award" shall mean all compensation, sums or anything of value awarded, paid or received on a total or partial Condemnation of the Premises.

17.6. Waiver of Statute

Landlord and Tenant hereby waive the provision of California Code of Civil Procedure section 1265.130 allowing Landlord or Tenant to petition the Superior Court to terminate this Lease in the event of a partial taking of the Premises.

18. INDEMNIFICATION

18.1. Tenant's Indemnity

Tenant shall indemnify, defend and hold Landlord harmless from and against all loss, cost and expense, including attorney' fees, arising from any injury or damage to any person or property, occurring in or about the Building or Premises as a result of any negligent act, omission or willful misconduct of Tenant or its employees, or arising from any breach or default under this Lease by Tenant. The foregoing provisions shall not be construed to make Tenant responsible for loss, damage, liability or expense resulting from injuries to third parties caused by the negligence or willful misconduct of Landlord, or its officers, contractors licensees, agents, employees or invitees.

18.2. Landlord's Indemnity

Landlord shall indemnify, defend and hold Tenant harmless from and against all loss, cost and expense, including attorneys' fees, arising from any injury or damage to any person or property, occurring in or about the building or Premises as a result of any negligent act, omission or willful misconduct of Landlord, or its officers, contractors, licensees, agents, employees, guests, or visitors, or arising from any breach or default under this lease by Landlord. The foregoing provisions shall not be construed to make Landlord responsible for loss, damage, liability or expense resulting from injuries to third parties caused by the negligence or willful misconduct of tenant, or its officers, contractors, licensees, agents, employees or invitees.

19. INSURANCE

19.1. Landlord's insurance

During the term of this lease, Landlord shall maintain the following insurance:

- a. Commercial property insurance which shall:

- b. General liability insurance (written on ISO policy form CG 00 01 or its equivalent) with limits of not less than the following:
 - i. per occurrence and general aggregate amount of \$5,000,000;
 - ii products/completed operations aggregate of \$2,000,000 and
 - iii. personal and advertising injury of \$1,000,000.
- c. Failure by Landlord to maintain the insurance required by this Section and deliver evidence thereof as required by this Lease or to use any insurance proceeds to timely repair and restore the Premises shall constitute a material breach of this Lease.

19.2. Insurance Requirements

All insurance policies required to be maintained by Landlord under this Lease shall be issued by insurance companies which have a Best's Rating of "AVII" or better and which are qualified to do business in the State of California. 19.3. Certificates

Landlord shall deliver to Tenant on the Commencement Date of this lease and thereafter at least 15 days prior to expiration of any insurance required to be carried hereunder, certificates of insurance evidencing this coverage with limits not less than those specified above. Certificates must document that each party has named the other as an additional insured (or equivalent) on its general liability and property insurance policy, and that Tenant has been named a loss payee on Landlord's commercial property insurance policy, as required. 19.4. Waiver of Subrogation

Tenant acknowledges that all such parking space are to be used on a non-exclusive, first-come, first-served basis by Tenant and other tenants, occupants, licensees, invitees and permittees of the Building.

20.2. Remedies

Landlord acknowledges that it is a material term of this Lease that Tenant receive all of the Parking Spaces to which it is entitled under this Lease for the entire Term of this lease and that it would be impracticable and extremely difficult to fix the actual damages for a breach of such provisions. It is therefore agreed that if, for any reason whatsoever, a material number of the Parking Spaces required above are not available to Tenant, (in addition to the rights given to Tenant under Section 14 and Sections 9 and 17 in the event of casualty or condemnation) Tenant may:

- a. terminate this Lease by giving written notice of such termination to Landlord, which notice shall be effective 30 days thereafter or
- b. Deduct from the Basic Rent thereafter accruing hereunder an amount each month equal to the Basic Rent times the percentage of Parking Spaces not so provided times 1.5 but such deduction from Basic Rent shall be not less than ten percent (10%) nor more than one hundred percent (100%).

21.2. Landlord Indemnity

Landlord shall indemnify, protect, defend (by counsel acceptable to Tenant) and hold harmless Tenant from and against any and all claims, judgments, causes of action, damage, penalties, fine, taxes, costs, liabilities, losses and expenses arising at any time during or after the Term as a result (directly or indirectly) of or in connection with the presence of Hazardous Materials on, under or about the Premises, Building or Common Areas or other violation of laws relating to Hazardous Materials other than caused by Tenant. This indemnity shall include, without limitation, the cost of any required or necessary repair, cleanup or detoxification, and the preparation and implementation of any closure, monitoring or other required plans, as such action is required by local or state laws or any governmental agency. 25.1. Subordination And Non-Disturbance

Tenant agrees, at Landlord's option, to subordinate this Lease to the lien of any mortgages or deeds of trust now or hereafter in force against the Building; provided however, Tenant's obligation to subordinate this Lease is expressly conditioned upon Tenant receiving a written agreement in the form of Document I of the Supplemental Lease Documents delivered to Landlord concurrently herewith and provided further that no such subordination shall affect any option to extend the Term of this Lease, right of first offer to lease additional premises, option to purchase or right of first offer to purchase the Property which may be included herein.

25.3. Request for Notice

Landlord acknowledges that Tenant intends to record a Request for Notice with respect to any mortgages or deeds of trust affecting the Property in the form of Document V of the Supplemental Lease Documents delivered to Landlord concurrently herewith.

25.4. Notice of Default

If any mortgagee or beneficiary under a deed of trust affecting the Property gives written notice of its name and address to Tenant by registered mail requesting any such notice with reference to this Section, Tenant agrees to use its best efforts (but without liability for failure to do so) to give such mortgagee a copy of any Notice of Default served upon Landlord hereunder which could permit Tenant to terminate this Lease and an additional ten days within which to cure such Default.

26. SURRENDER OF POSSESSION

Subject to casualty, at the expiration of the Term of this Lease, whether by lapse of time or otherwise, Tenant shall promptly and peacefully surrender the Premises to Landlord in a "broom-clean" condition. 29.2. Successors and Assigns

All of the covenants, agreements, terms and conditions contained in this lease shall inure to and be binding upon the Landlord and Tenant and their respective successors and assigns.

29.3. Brokers

Landlord and Tenant each represent and warrant to each other that it has not engaged any broker, finder or other person who would be entitled to any commission or fees in respect of the negotiation, execution or delivery of this Lease other than as disclosed to the other in writing and shall indemnify and hold harmless each other against any loss, cost, liability or expense incurred by the other party as a result of any claim asserted by any such broker, finder or other person on the basis of any arrangements or agreements made or alleged to have been made in variance with this representation. Tenant shall receive from Landlord or Landlord's broker, within ten days after the execution of this Lease, any amount equal to 50% of all commissions due to Landlord's broker as a result of this execution of this Lease.

29.4. Entire Agreement

This Lease (and the Landlord's Work Letter and Supplemental Lease Documents) is the final and complete expression of Landlord and Tenant relating in any manner to the leasing, use and occupancy of the Premises, to Tenant's use of the Building and other matters set forth in this Lease. No prior agreements or understanding pertaining to the same shall be valid or of any force or effect and the covenants and agreements of this lease shall not be altered, modified or added to except in writing signed by both Landlord and Tenant.

Any provision of this Lease which shall prove to be invalid, void or illegal shall in no way affect, impair or invalidate any other provision hereof and the remaining provisions hereof shall nevertheless remain in full force and effect.

29.6. Notices

All notices and communications to any party hereunder shall be in writing and shall be deemed properly given if delivered personally, sent by registered or certified mail, postage prepaid, or by a recognized overnight commercial messenger providing proof of delivery, facsimile (electronically confirmed) to Landlord's Address for Notice and Tenant's Address for Notice as set forth in Section 1. Any notice so given shall be deemed to have been given as of the date of delivery (whether accepted or refused) established by U.S. Post Office return receipt or the overnight carrier's proof of delivery, as the case may be. Any such notice not so given shall be deemed given upon receipt to the same by the party to whom the same is to be given.

29.7. Governing Law and Forum

This Lease shall be governed by and construed in accordance with the internal laws of the State of California. Any litigation with respect to this Lease shall be conducted in the County of Los Angeles, State of California.

29.8. Waivers

No waiver by Landlord or Tenant of any provision hereof shall be deemed a waiver of any other provision hereof or of any subsequent breach by Landlord or Tenant of the same or any other provision. Landlord's or Tenant's consent to or approval of any act shall not be deemed to render unnecessary the obtaining of Landlord's or Tenant's consent to or approval of any subsequent act by Landlord or Tenant.

29.9. Time of Essence

Time is of the essence for the performance of all of the obligations specified hereunder.

29.10. Consent

Whenever any consent is required by Landlord or Tenant hereunder, such consent shall not be unreasonably withheld, conditioned or delayed and, unless otherwise specifically provided herein, shall be deemed granted if not refused within ten (10) days after written request is made therefore, together with all necessary information.

29.11. Community Business Enterprises

Landlord shall complete and deliver to Tenant concurrently with the execution hereof a community Business Enterprises form set forth as Document III in the Supplemental Lease Documents delivered to Landlord concurrently herewith.

29.12. Memorandum of Lease

If requested by Tenant, Landlord and Tenant shall execute and acknowledge a Memorandum of lease in the form of Document IV in the Supplemental Lease Documents delivered to Landlord concurrently herewith, which Memorandum may be recorded by Tenant in the Official Record of Los Angeles County.

30. AUTHORITY

Only the Board of Supervisors has the authority, by formally approving and/or executing this Lease, to bind the county to the terms included herein. Each individual executing this Lease on behalf of Tenant represents and warrants that

he or she is duly authorized to execute and deliver this lease on behalf of Tenant, and that this Lease is binding upon Tenant in accordance with its terms. Landlord understands that no material terms of this lease may be altered or deleted, nor may any new material terms be added to this lease, without the express written approval of the Board of Supervisors, either through an amendment to the lease or by other formal board action. No County officer, employee, agent or independent contractor has any authority to alter, add or delete the material terms of this Lease and Landlord may not rely upon any representations to the contrary. This limitation of authority applies to all material terms of the lease including, without limitation, any monetary ceiling established for Tenant Improvements or other project costs of Landlord which are subject to reimbursement by County. County shall not reimburse Landlord for any expenses which exceed this ceiling. Notwithstanding the foregoing, the Chief Executive Officer of the County or its designee (the "Chief Executive Officer") may take any administrative act on behalf of Tenant hereunder which does not have the effect of increasing Basic Rent or other financial obligations of Tenant under this lease, including without limitation, granting any approvals, terminating this lease in the manner provided herein by an Early Termination Notice or otherwise, signing estoppel certificates, signing the Commencement Date memorandum and Confirmation of Lease Terms or subordinating this Lease. Each individual executing this Lease on behalf of Landlord represents and warrants that he or she is duly authorized to execute and deliver this Lease on behalf of Landlord, and that this Lease is binding upon Landlord in accordance with its terms.

31. ACKNOWLEDGEMENT BY LANDLORD

Landlord acknowledges that it is aware of the following provisions:

31.1. Consideration of GAIN Program Participants

Should Landlord require additional or replacement personnel after the effective date of this Lease, Landlord shall give consideration for any such employment, openings to participants in the County Department of Public Social Services' Greater Avenues for Independence ("GAIN") Program who meet Landlord's minimum qualifications for the open position. The County will refer GAIN participants by job category to Landlord.

31.2. Solicitation of Consideration

It is improper for any County officer employee or agent to solicit consideration in any form from a Landlord with the implication, suggestion or statement that the Landlord's provision of the consideration may secure more favorable treatment for the Landlord in the award of the Lease or that Landlord's failure to provide such consideration may negatively affect the County's consideration of the Landlord's offer to lease. A Landlord shall not offer or give, either directly or through an intermediary, consideration in any form to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of the Lease.

Landlord shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made either to the County Manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud hotline at (213) 974-0914 or (800) 544-6861. Failure to report such solicitation may result in the Landlord's submission being eliminated from consideration.

31.3. Landlord Assignment

- a. Landlord may assign, transfer, mortgage, hypothecate or encumber Landlord's right, title and interest in and to this Lease or any portion thereof (including the right to receive rental payments but excluding its duties and obligations hereunder), and Landlord may execute any and all instruments providing for the payment of Basic Rent directly to any assignee or transferee, but only if the conditions set forth in the Section are met.
- b. Any document or agreement purporting to assign, transfer, mortgage, hypothecate or encumber Landlord's right, title and interest in and to this Lease or any portion thereof, is hereinafter referred to as a "Security Agreement." Any Security Agreement which is executed without full compliance with the requirements of this Section shall be void.
- c. Each assignee or transferee under the Security Agreement shall certify and agree in writing that such assignee or transferee has read and is familiar with the requirements of Sections 5950-5955 of California Government code, which prohibits the offer or sale of any security constituting a fractional interest in this Lease or any portion thereof, without the prior written consent of the County. Notwithstanding the foregoing, the County hereby acknowledges and agrees that Landlord shall have the right to encumber the Property with collateralized mortgage backed securities ("CMBS") financing or other traditional real estate financing. However, Landlord may not encumber the Property through any type of bond financing vehicle, including but not limited to certificate of participation financing.
- d. Violation by Landlord of the provisions of Section 5951 of the California Government Code will constitute a material breach of this Lease, upon which the County may impose damages in an amount equal to the greater of \$500,000 or 10% of the aggregate principal portion of all rental payments payable by the county during the entire Term of this Lease, it being expressly agreed that the aforesaid amount shall be imposed as liquidated damages, and not as a forfeiture or penalty. It is further specifically agreed that the aforesaid amount is presumed to be the amount of damages sustained by reason of any such violation, because from the circumstances and nature of the violation it would be impracticable and extremely difficult to fix actual damages. In addition, the County may exercise or pursue any other right or remedy it may have under this Lease or applicable law.

- e. Landlord shall give the County notice and a copy of each Security Agreement and any other instrument relating thereto (including, but not limited to, instruments providing for the payment of Basic Tent directly to an assignee or transferee) at least two weeks prior to the effective date thereof.
- f. Landlord shall not furnish any information concerning County or the subject matter of this lease (including, but not limited to, offering memoranda, financial statements, economic and demographic information, and legal opinions rendered by the office of counsel for the County) to any person or entity, except with County's prior written consent. Landlord shall indemnify,, defend and hold County and its officers, agents and employee harmless from and against all claims and liability alleged to arise from the inaccuracy or incompleteness of any information furnished by Landlord in violation of this Section.
- g. The provisions of this Section shall be binding upon and applicable to the parties hereto and their respective successors and assigns. Whenever in this Section Landlord is referred to, such reference shall be deemed to include Landlord's successors or assigns, and all covenants and agreements by or on behalf of Landlord herein shall bind and apply to Landlord's successors and assigns whether so expressed or not.

32. IRREVOCABLE OFFER

In consideration for the time and expense that Tenant will invest, including, but not limited to, preliminary space planning, legal review, and preparation and noticing for presentation to the Real Estate Management Commission of Los Angeles County (if applicable) in reliance on Landlord's agreement to lease the Premises to Tenant under the terms of this Lease, Landlord irrevocably offers to enter into this Lease and not to revoke this offer until the Irrevocable Offer Expiration Date, as defined in Section 1.

14. TENANT REMEDIES

If Landlord fails to obtain the building permit to construct the Tenant Improvements within a reasonable time, taking all factors into consideration, or if Tenant Improvements have not been completed within sixty (60) days from the Projected Commencement Date, Tenant may, at its option:

Therefore, the parties agree as follows:
